

**Possibly better than gold as a venture,
we are the match.com or jdate.com of education**

Call Memoryman at 310-734-9449 and speak to the living legend Memoryman personally to find out how you can be a part of this exciting venture.

You purchase \$180.00 memberships by buying them wholesale, just as you would buy gold; these memberships are now sold for \$360.00 and are normally sold for \$3,600.00. We endeavor to sell them for you. You can learn more about the memberships and the exciting educational website at <http://memoryman.com>.

We have a goal of selling \$3.6 billion worth of memberships over the next 12 months.

If you know someone who would like to purchase memberships wholesale and they do so, you will receive a 10% finder's fee. So make 100 copies of this flyer and get it to these people right away.

Reap all the benefits and rewards of an improved memory by becoming a member. You can triple your visual memory in just 10 minutes by taking the free lesson at <http://memoryman.com>.

Once you possess the knowledge of how your own human memory works, you will live much, much longer in a healthy, happy state. You'll get this knowledge from Memoryman by going to <http://memoryman.com>.

Additionally, although we are a for profit company, we get the haves to give free memberships to the have-nots, so when you engage in this grand adventure, you're doing something extremely noble and being a good, righteous person.

Memoryman is the world's foremost authority on human memory performance. Even the comic book and the upcoming feature film MEMORYMAN are based on his world renowned memory improvement work. The phenomenal feature film MEMORYMAN, a la Superman, Batman and Spider-Man, is planned to be released worldwide this year, December 28, 2008.

Millions who have viewed the national television show MEMORYMAN have seen him memorizing a 50-digit number forwards and backwards as quickly as he hears it and remembering the names of an entire audience. See how he set the world's record live on CNBC in front of over 20 million people at <http://memoryman.com>

Memoryman

His formulation for the Creative Ability System, which is under Federal Copyright and therefore taught in no other course, is necessary for real memory improvement. It now allows anyone to possess an excellent memory and the rewards that go with it.

His memory training courses have been presented at over 25 colleges and universities, including Stanford, Columbia, New York University, Southern Methodist University, and the University of San Diego Law School. Memoryman is a graduate of Queens College of New York.
